

A Luxurious Slice Of Paradise

164 Sanctuary Drive, Mount Cotton

Proudly perched within an endless sea of green, this recently revitalised, contemporary residence set on 1.24 acres achieves the perfect balance between elegance, formality and relaxed resort style living.

A clever selection of sumptuous, natural materials lends an air of sophistication and sensuality to the dramatic interior. Layers of dense tropical foliage add a sleek fringe to the north and eastern outdoor entertaining areas anchored by an award winning, shimmering black pool and flood lit tennis court.

Tiers of immaculately maintained tropical gardens and elevated viewing terraces provide the perfect places to escape to and appreciate this luxurious home.
